Dear District GIS Parakh Team,

As part of the **Janvishwas Abhiyan**, 9 modules/forms have been prepared on the **District GIS Parakh Application** for conducting inspections by the concerned officers.

In order to ensure smooth and hassle-free inspection under the Janvishwas Abhiyan, it is requested that, apart from **Asset Survey** and **Sudden Inspection**, the other forms currently available under **Bhopal Admin** may kindly be **temporarily hidden**.

The following forms may be hidden for the time being, as no inspections are currently being conducted through these forms:

- छात्रावास निरीक्षण फॉर्म
- रबी फसल विपणन
- विद्यालय मॉनिटरिंग प्रपत्र

Temporarily hiding these non-active forms will help avoid any confusion or accidental selection/copy-related issues among officers while using the **Janvishwas Abhiyan forms** and will enable them to carry out inspections smoothly and efficiently.

You are requested to kindly make the necessary changes at the earliest.

Regards,
Shivam Rai
Senior GIS Executive
