Dear Rohit,

For the **Inspection Module**, we need to provide the following four masters to the Nirikshan Module team:

1. **Inspection Officer Name** – This master can be shared from the existing/old ICMIS and e-HRMS data of department.
2. **Office Master** – Please review and confirm the details. I have attached the RCS Office Master sheet for your reference.
3. **Office Head Master** – Please review and confirm the details. The same has been included in the attached RCS Office Master sheet.
4. **Designation Master** – Please review and confirm the details. The same has been included in the attached RCS Office Master sheet.

You are requested to kindly **review the attached sheet and confirm the correctness/completeness of the Office, Office Head, and Designation Masters**, so that the required masters can be shared with the Nirikshan Module team for further development and integration.

Kindly provide your confirmation at the earliest.

Dear Priya Ma'am,

As per our discussion following points discussed:

1) "Add more option" is provided for all those tables where it is mentioned explicitly only.

2) "Designation Master" we require this master from department end

3) "Auto" field required master mapping from department end - for starting 3 questions

4) "Auto Filled" Master also required for drop-down - which can be taken from the field mentioned just above that -

(H) शहरी साख

1. जिले में पंजीकृत शहरी साख संस्थाओं की कुल संख्या: (Numeric)

but for this question (at page no. 9). We require Master data for this -

(I) अंकेक्षण-

जिले का नाम -
Auto filled

Kindly provide the required details.

Hello Priya Ma'am,

MoM for 24-June-2026 Meeting on MP Cooperative Changes to be incorporated:

As per our discussion

For MP Cooperative Inspection form
1) Save and next on each tab & complete needs to be divided into subsections tab-wise according to the changes which will be suggested and shared by Cooperative department.
2) Sub sections which require Addition of more fields/records should also be done. (Add more records)
3) Alignment of questions which has Add more option should come in Tabular format.
4) Fields which get auto calculated entry after applying calculation on previous field.
5) Section which require Scroll-bar should be clearly and properly visible.
6) The UI/UX of the form should be designed better.

Action Points - Further Cooperative Inspection Form changes which will be suggested and shared by Cooperative department.
