मध्यप्रदेश शासन

पंचायत एवं ग्रामीण विकास विभाग

मंत्रालय, वल्लभ भवन, भोपाल (म.प्र.)

क्रमांक: 7/2026/22(PRD) **भोपाल, दिनांक: 17-10-2026**

प्रति,

1. **मुख्य कार्यपालन अधिकारी (समस्त)**
   जिला पंचायत, मध्य प्रदेश ।
2. **मुख्य कार्यपालन अधिकारी (समस्त)**
   जनपद पंचायत, मध्य प्रदेश

विषय: SIPRI पोर्टल पर निर्माण कार्यों हेतु ऑनलाइन निरीक्षण अनुरोध (RFI) एवं अनुश्रवण के संबंध में।

----0----

ग्रामीण अधोसंरचना की पहचान एवं योजना निर्माण हेतु सॉफ्टवेयर **(SIPRI)** मध्यप्रदेश शासन द्वारा विकसित एक डिजिटल प्लेटफॉर्म है, जिसके माध्यम से ग्रामीण क्षेत्रों में आवश्यक अधोसंरचनात्मक कार्यों की पहचान, प्राथमिकता निर्धारण एवं योजना निर्माण किया जाता है। यह प्लेटफॉर्म ग्रामीण विकास कार्यों के प्रभावी क्रियान्वयन एवं अनुश्रवण में भी सहायक है।

ग्राम पंचायतों द्वारा ग्रामों में कराए जा रहे निर्माण कार्यों का प्रभावी ऑनलाइन अनुश्रवण सुनिश्चित करने हेतु मध्यप्रदेश स्टेट इलेक्ट्रॉनिक्स डेवलपमेंट कॉर्पोरेशन **(MPSEDC)** द्वारा **SIPRI** पोर्टल पर "अनुश्रवण" नाम से एक मॉड्यूल विकसित किया गया है। इस मॉड्यूल के माध्यम से ग्राम पंचायतें अपने अंतर्गत संचालित निर्माण कार्यों के निरीक्षण हेतु ऑनलाइन **Request for Inspection (RFI)** दर्ज कर सकेंगी। दर्ज **RFI** संबंधित उपयंत्री को निरीक्षण एवं आवश्यक कार्यवाही हेतु प्रेषित होगी।

ग्राम पंचायतें पंचायत दर्पण पोर्टल की अपनी मौजूदा यूज़र आईडी एवं पासवर्ड का उपयोग कर **SIPRI** पोर्टल पर लॉगिन कर सकेंगी। इस हेतु ग्राम पंचायतों को पृथक यूज़र आईडी एवं पासवर्ड प्राप्त करने अथवा संधारित करने की आवश्यकता नहीं होगी।

उक्त मॉड्यूल के उपयोग की प्रक्रिया को सुगम बनाने हेतु एक विस्तृत यूज़र मैनुअल तैयार किया गया है, जिसमें पोर्टल पर लॉगिन करने तथा "अनुश्रवण" मॉड्यूल के माध्यम से

RFI दर्ज करने की प्रक्रिया का चरणबद्ध विवरण दिया गया है। इससे ग्राम पंचायतों के संबंधित पदाधिकारियों एवं कर्मचारियों को मॉड्यूल के उपयोग में सुविधा होगी तथा निर्माण कार्यों के निरीक्षण एवं प्रगति के ऑनलाइन अनुश्रवण में सहायता मिलेगी।

अतः आपको निर्देशित किया जाता है कि जिले/जनपद की समस्त ग्राम पंचायतों को उक्त संबंध में आवश्यक निर्देश जारी करना सुनिश्चित करें, ताकि वे **SIPRI** पोर्टल के "अनुश्रवण" मॉड्यूल के माध्यम से ग्राम पंचायतों के अंतर्गत संचालित निर्माण कार्यों के निरीक्षण हेतु ऑनलाइन **RFI** दर्ज कर सकें। साथ ही, संलग्न यूज़र मैनुअल का समस्त संबंधित ग्राम पंचायतों में प्रसार करते हुए मॉड्यूल के प्रभावी उपयोग हेतु आवश्यक मार्गदर्शन उपलब्ध कराया जाए।

संलग्नक: SIPRI पोर्टल के "अनुश्रवण" मॉड्यूल का यूज़र मैनुअल

1. Overview / अवलोकन

The SIPRI – Anushravan GP module helps a Gram Panchayat (GP) request a site inspection and helps a Sub Engineer (SE) inspect the site and give the decision. The department can see all RFIs in the web report.

Who uses the module

User	What the user does
GP User (Anushravan)	Logs in to the SIPRI mobile app, raises an RFI for a work site and checks the RFI History.
Sub Engineer (SE)	Logs in to the SIPRI mobile app, inspects the site and Accepts (Approves) or Rejects the RFI.
District Admin	Logs in to the SIPRI web portal and creates or edits users with the Anushravan category.
Web User	Logs in to the web portal and views the Anushravan GP Report.

How it works

1. The Gram Panchayat downloads the SIPRI app.
2. The GP logs in and raises an RFI.
3. The Sub Engineer is assigned to that GP.
4. The Sub Engineer does the inspection and accepts or rejects the RFI.

RFI status

Status	Meaning
Pending	The RFI is raised by the GP. The inspection by the Sub Engineer is not done yet.
Approved	The Sub Engineer inspected the site and accepted the RFI.
Rejected	The Sub Engineer inspected the site and rejected the RFI.

2. Installation / स्थापना

Step 1: Install the app

- Open the Google Play Store on your mobile.
- Search for the **"SIPRI (MP)"** app.
- Tap Install and wait for the installation to complete.

Step 2: Open the app

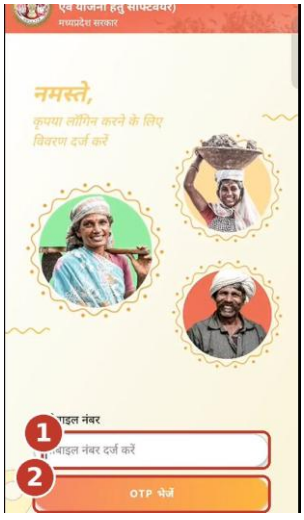

- Tap the SIPRI app icon to open it.
- When the app asks for location permission, tap **Allow** (While using the app). Keep the location (GPS) ON.

3. Login using Mobile Number and OTP / मोबाइल नंबर और OTP से लॉगिन

GP and SE users log in in the same way.

Note for GP users: Before using the mobile app, the GP user must log in once to the SIPRI web portal using the Panchayat Darpan login credentials (see Section 10 and Section 11).

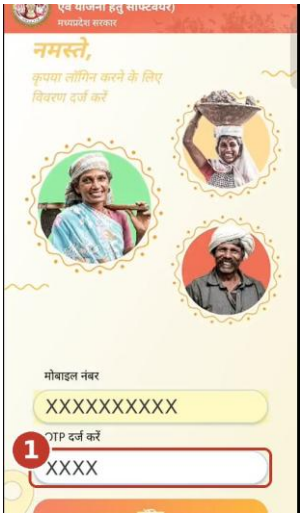

- **Step 1:** Enter your registered 10-digit mobile number and tap **OTP भेजें** (Send OTP).
- **Step 2:** The message "OTP Sent successfully" appears. Tap **ठीक है** (OK).
- **Step 3:** Enter the OTP received on your mobile and tap **लॉगिन** (Login).
- **Step 4:** The message "Welcome" appears. Tap **ठीक है** (OK). The dashboard opens.

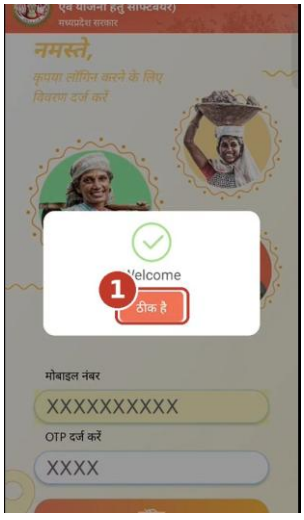

(1) Enter mobile number
(2) Tap OTP भेजें

(1) Tap ठीक है (OK)

(1) Enter OTP and tap Login

(1) Tap ठीक है (OK)

4. Dashboard and Language Selection / डैशबोर्ड और भाषा चयन

Step 1: Open the module

- After login, the dashboard opens. Tap **ANUSHRAVAN** to open the module.

Step 2: Change the language (optional)

- Tap the three dots (⋮) at the top right of the dashboard and choose **Select Language**.
- Tap **English** or **Hindi**.

(1) Tap ANUSHRAVAN

(1) Choose English (अंग्रेज़ी) or Hindi (हिंदी)

5. GP Login: Raise a New RFI / GP लॉगिन: नया RFI दर्ज करें

Step 1: Create a new RFI

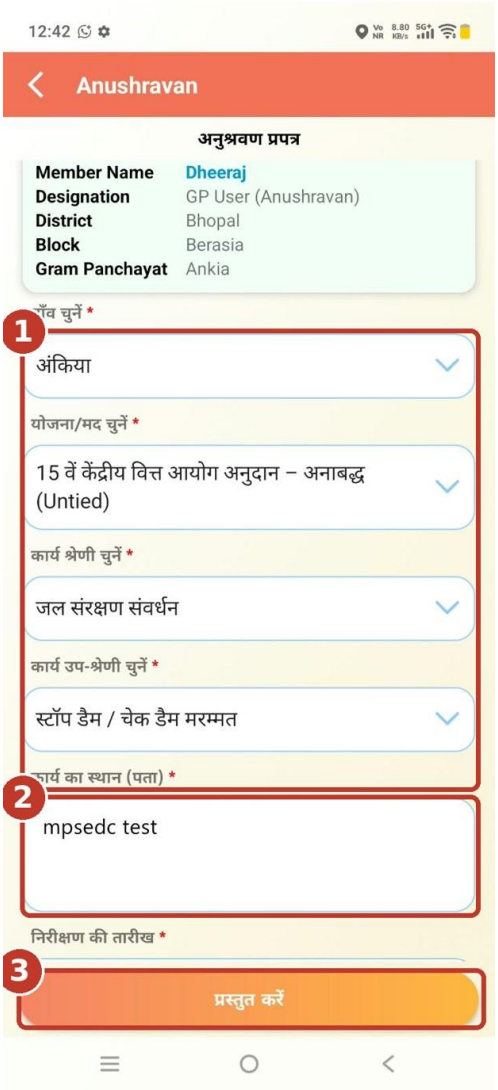

- On the ANUSHRAVAN screen, tap **Create New RFI**. (To see old requests, tap **RFI History**.)

Step 2: Fill in the form

- Your name, designation, district, block and Gram Panchayat appear automatically.
- Select the **Village**, **Scheme / Head**, **Work Category** and **Work Sub-Category**.
- Enter the **Work Location (Address)**.
- Scroll down and enter the **Date of Inspection** and add the geo-tagged photos.
- All fields marked with * are required.

(1) Tap Create New RFI
(2) Tap RFI History to see old requests

(1) Select village, scheme, category and sub-category
(2) Enter the work address
(3) Tap Submit (प्रस्तुत करें) after all fields are filled

Step 3: Capture the photos

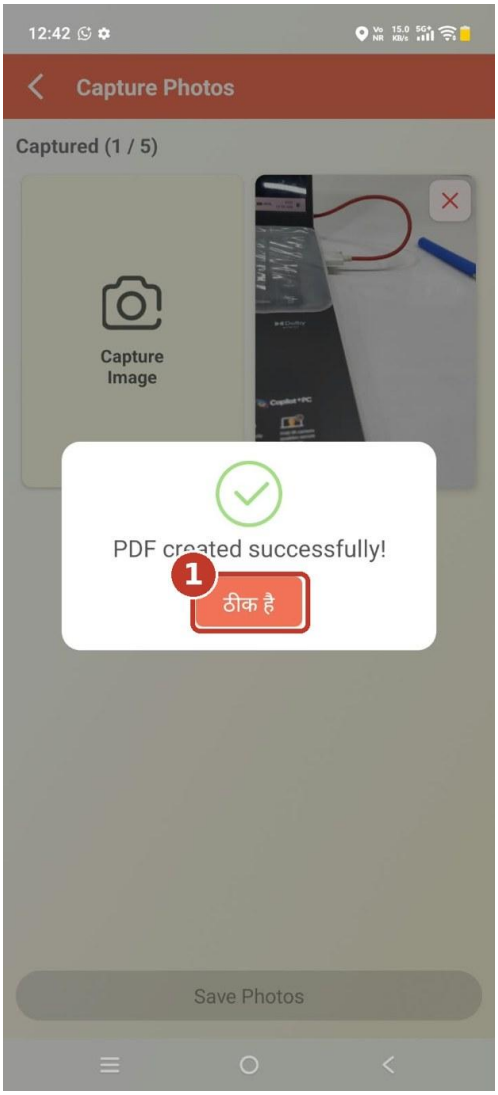

- Tap **Capture Image** and take a geo-tagged photo of the work site.
- You can add 1 to 5 photos (shown as "Captured 1/5"). Tap ✕ on a photo to remove it.

Step 4: Save the photos

- Tap **Save Photos**.
- The message "PDF created successfully!" appears. Tap **ठीक है** (OK). You return to the form.

(1) Tap Capture Image
(2) Tap Save Photos

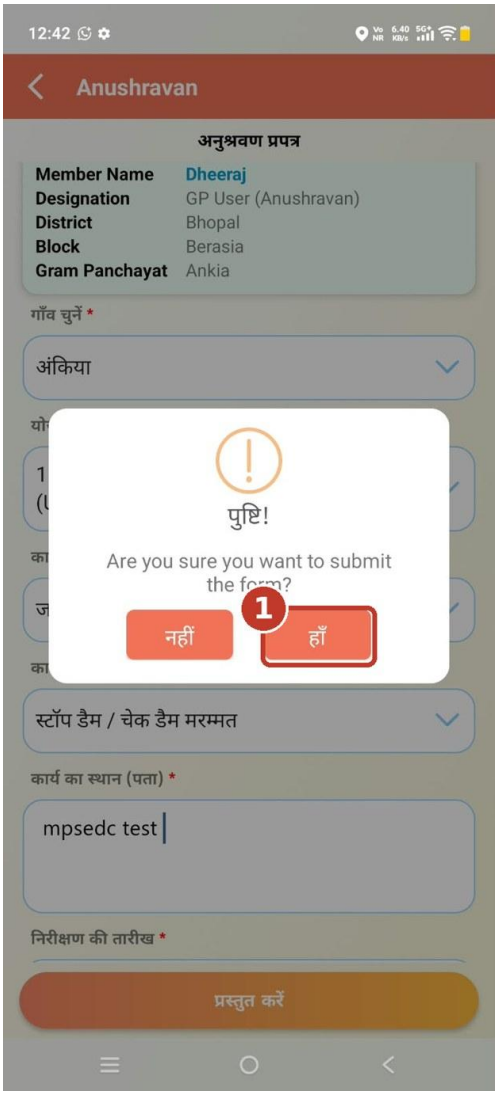

(1) Tap ठीक है (OK)

Step 5: Submit the RFI

- Tap **प्रस्तुत करें** (Submit).
- A message asks "Are you sure you want to submit the form?". Tap **हाँ** (Yes). Tap **नहीं** (No) to go back.

Step 6: RFI raised

- The message "RFI request raised successfully" appears. Tap **ठीक है** (OK).
- The RFI is now Pending and goes to the Sub Engineer.

(1) Tap हाँ (Yes) to submit

(1) Tap ठीक है (OK)

6. GP Login: View RFI History / GP लॉगिन: RFI इतिहास देखें

Step 1: Open RFI History

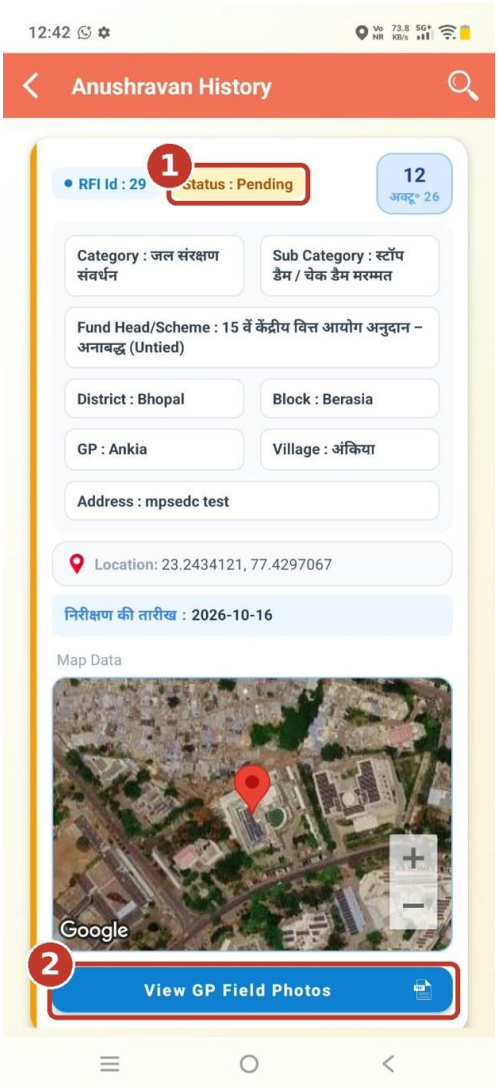

- On the ANUSHRAVAN screen, tap **RFI History**.

Step 2: Check the RFI

- Each card shows the RFI Id, status, date, category, sub-category, scheme, district, block, GP, village and address.
- The **Status** shows Pending, Approved or Rejected.
- The card also shows the location, inspection date and map.

Step 3: View the photos

- Tap **View GP Field Photos** to see the photos you uploaded.
- After the Sub Engineer inspects the site, the Sub Engineer photo and remark are also shown on the card.

(1) RFI status
(2) Tap View GP Field Photos

GP field photo

7. Sub Engineer (SE) Login: Inspect and Accept / Reject RFI / SE लॉगिन: RFI का निरीक्षण और स्वीकृत / अस्वीकृत करें

Step 1: Log in and open the module

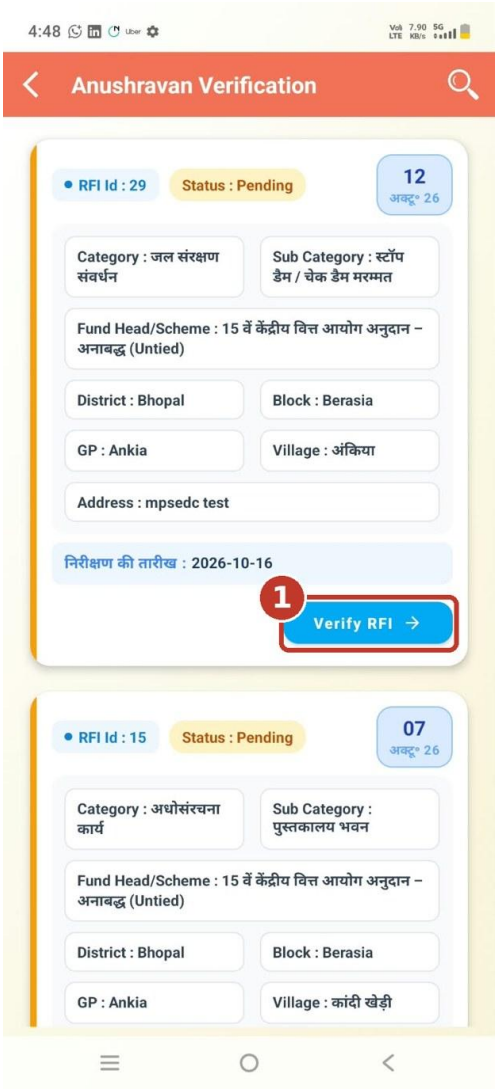

- Log in with your mobile number and OTP (see Section 3).
- On the dashboard, tap **ANUSHRAVAN**. The list of pending RFIs opens.

Step 2: Select the RFI

- Tap **Verify RFI** on the RFI you want to inspect.

(1) Tap ANUSHRAVAN to inspect RFIs
(2) ANUSHRAVAN HISTORY shows your old RFIs

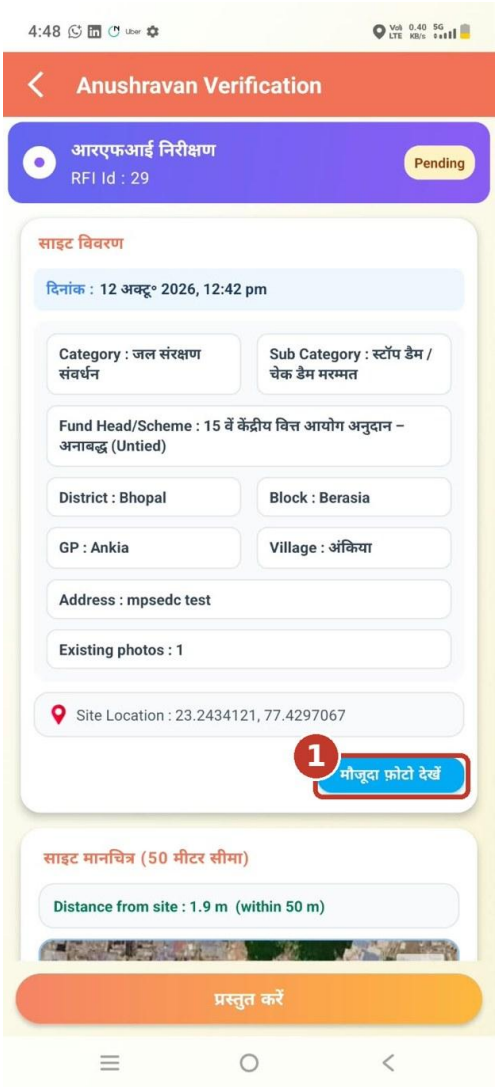

(1) Tap Verify RFI

Step 3: Check the site details

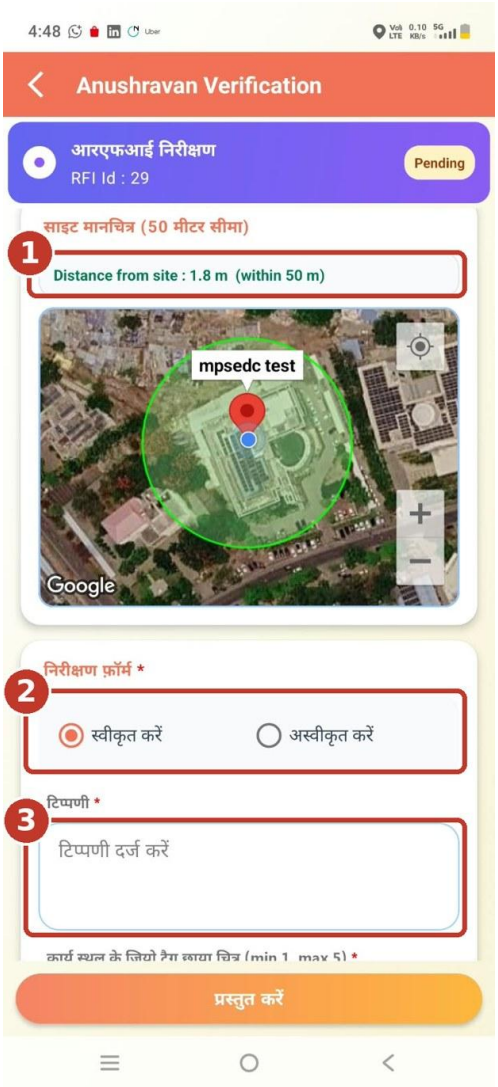

- Read the RFI Id, date, category, sub-category, scheme, district, block, GP, village, address and site location.
- Tap **मौजूदा फ़ोटो देखें** (View existing photos) to see the photos uploaded by the GP.

Step 4: Go to the site and choose the decision

- The site map shows a 50 m boundary and your **Distance from site**. Make sure you are within 50 m of the site.
- Under the inspection form, choose **स्वीकृत करें** (Approve) or **अस्वीकृत करें** (Reject).
- Enter the **Remark (टिप्पणी)**. It is required.

(1) Tap मौजूदा फ़ोटो देखें to view GP photos

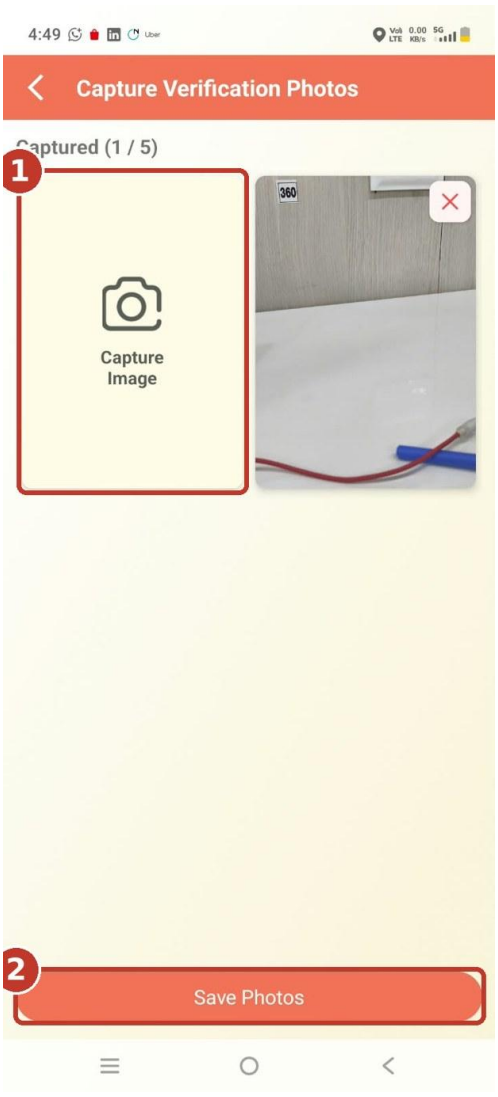

(1) Check the distance from site
(2) Choose Approve or Reject
(3) Enter the remark

Step 5: Capture the verification photos

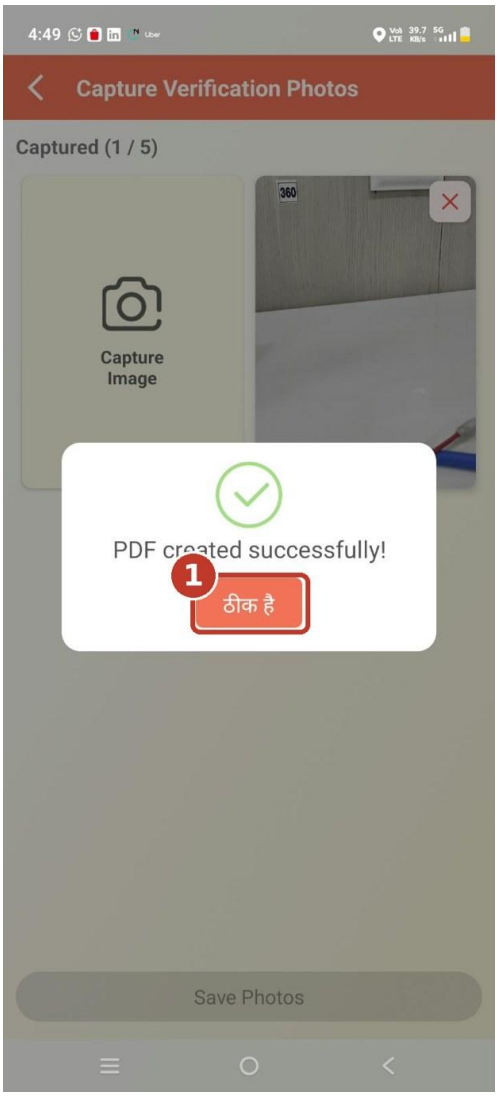

- Scroll down, tap the photo field, then tap **Capture Image** and take a geo-tagged photo of the site.
- You can add 1 to 5 photos.

Step 6: Save the photos

- Tap **Save Photos**.
- The message "PDF created successfully!" appears. Tap **ठीक है** (OK).

(1) Tap Capture Image
(2) Tap Save Photos

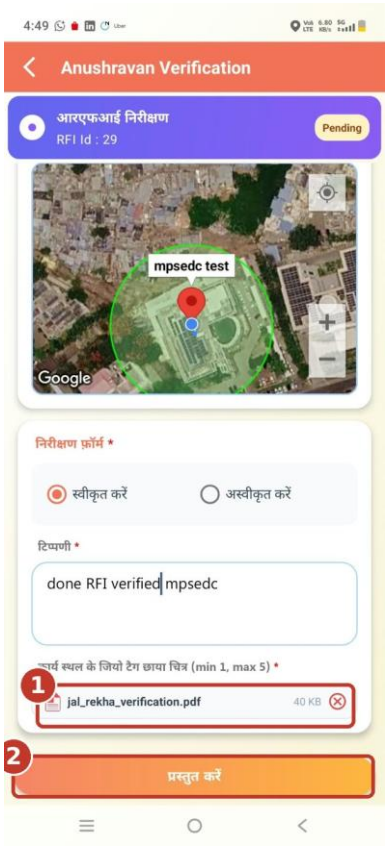

(1) Tap ठीक है (OK)

Step 7: Submit the decision

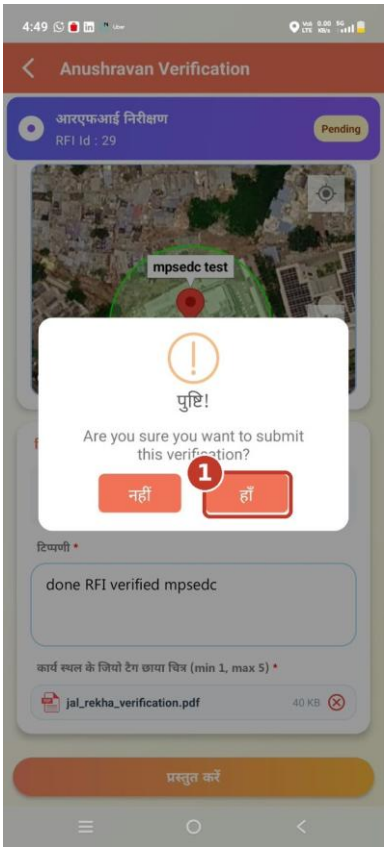

- The photo file is attached to the form. Check the decision and remark, then tap **प्रस्तुत करें** (Submit).
- A message asks "Are you sure you want to submit this verification?". Tap **हाँ** (Yes).

Step 8: Inspection done

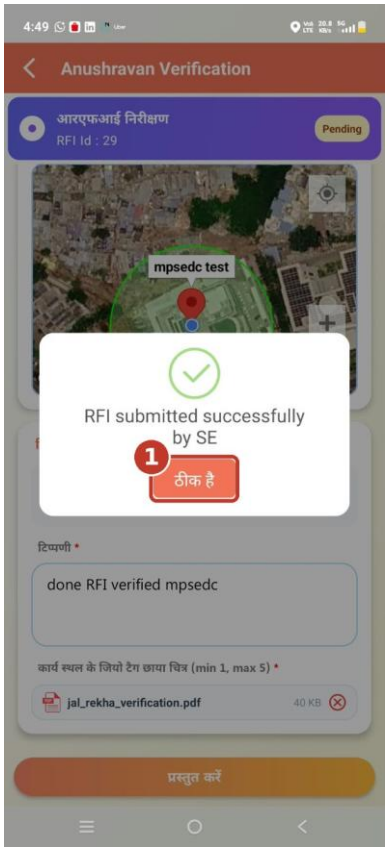

- The message "RFI submitted successfully by SE" appears. Tap **ठीक है** (OK).
- The RFI status changes to Approved or Rejected.

(1) Photo file is attached
(2) Tap Submit

(1) Tap हाँ (Yes)

(1) Tap ठीक है (OK)

8. Sub Engineer (SE) Login: View RFI History / SE लॉगिन: RFI इतिहास देखें

Step 1: Open the history

- On the dashboard, tap **ANUSHRAVAN HISTORY**.

Step 2: Check the RFI

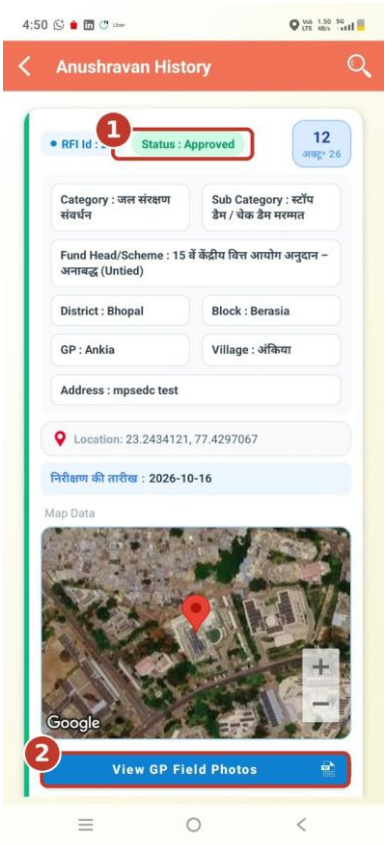

- Each card shows the RFI Id and the **Status** (Approved or Rejected), with the site details and map.

Step 3: See photos and remark

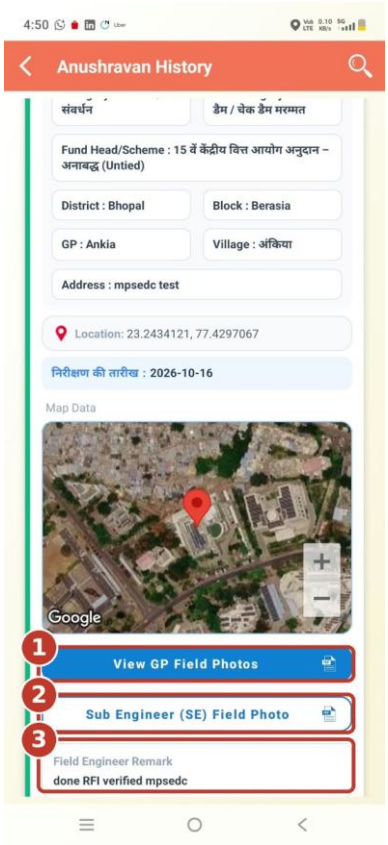

- Tap **View GP Field Photos** to see the GP photos.
- Scroll down. Tap **Sub Engineer (SE) Field Photo** to see your inspection photo. Your remark is shown below the buttons.

(1) Tap ANUSHRAVAN HISTORY

(1) RFI status
(2) Tap View GP Field Photos

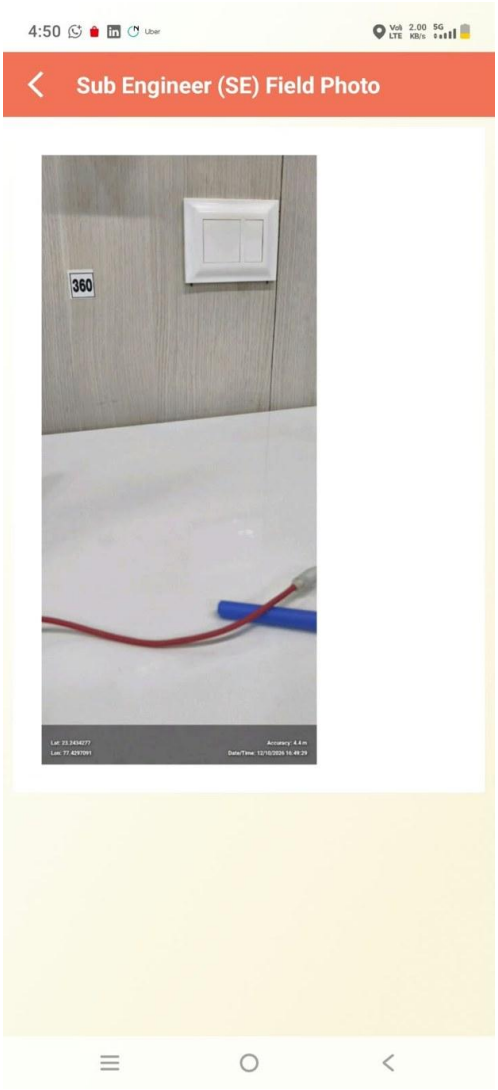

(1) GP photos
(2) Sub Engineer (SE) photo
(3) Remark of the Sub Engineer

Photos

The photos open inside the app. Tap the back arrow (←) to return to the history.

9. SE User Management: Create and Edit Users / SE उपयोगकर्ता प्रबंधन: उपयोगकर्ता बनाना और संपादित करना

The District Admin creates and edits the users on the SIPRI web portal. Use the same steps to edit an existing user.

Step 1: Log in

- Open **https://sipri.mp.gov.in/sipri/login** and log in with the District Admin login credentials.

Step 2: Open User Management

- On the Home Page, select the **User Management** tab.

Step 3: Open the User Creation Form

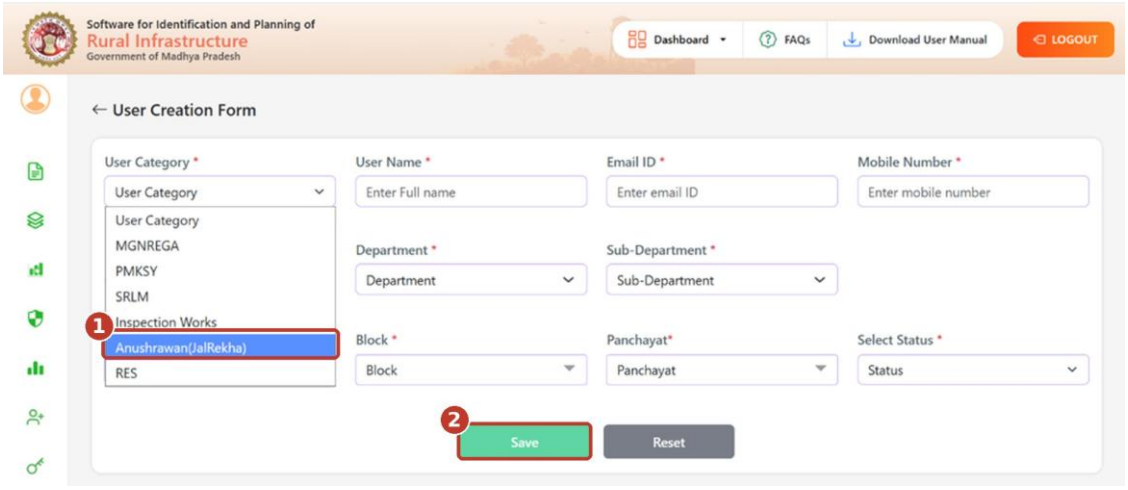

- Select the user category for the user creation form.

Step 4: Select the category

- On the User Creation page, open the **User Category** dropdown and select **Anushravan GP.**
- Fill in the required fields marked with * (User Name, Email ID, Mobile Number, Department, Sub-Department, Block, Panchayat and Status).
- Click **Save**. Click **Reset** to clear the form.

Edit an existing user

- Log in as District Admin and open the **User Management** tab.
- Select the existing user, set the User Category to **Anushravan**, and click **Save**.

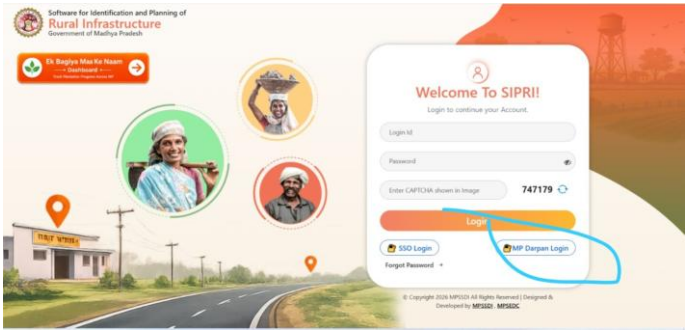

(1) Select Anushravan in the User Category dropdown **(2)** Click Save

10. Web Portal: Anushravan GP Report / वेब पोर्टल: अनुश्रवण GP रिपोर्ट

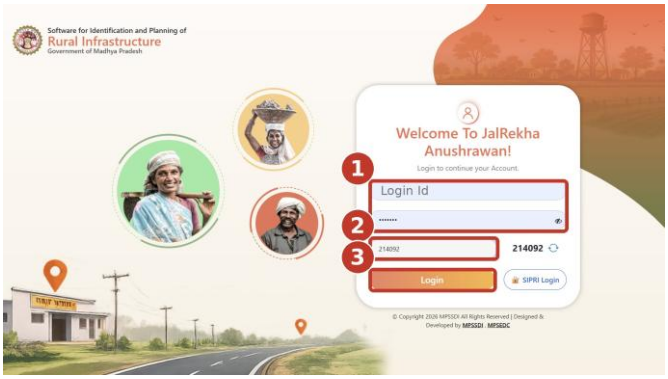

Step 1: Log in

- Open the SIPRI web portal in your browser: **https://sipri.mp.gov.in/sipri/login**
- GP users: select the **MP Darpan Login** button and log in with your Panchayat Darpan credentials.

Click the MP Darpan Login button (marked in blue). GP users do this one-time login before using the mobile app.

- Then enter your **Login Id** and **Password**. Enter the **CAPTCHA** shown on the screen and click **Login**.

(1) Enter Login Id and Password **(2)** Enter the CAPTCHA **(3)** Click Login

Step 2: Open the report

- After login, the **Anushravan GP Report** opens. You can also open it from the menu on the left.

Step 3: Use the report

- Type a keyword in the search box to find an RFI.
- Click **Download** to download the report.
- Click the file icon under **GP Field Image** or **SE Field Image** to open the photos.
- Use **Previous** and **Next** below the table to change the page. Click **LOGOUT** (top right) when you finish.

(1) Report menu **(2)** Search **(3)** Download **(4)** RFI table

Report columns

Column	Meaning
Sr. No. / RFI Id	Serial number and the Id of the RFI.
RFI Inspection Date	Date of inspection given by the GP user.
District, Block, Gram Panchayat, Village	Location of the work site.
Category, SubCategory	Work category and sub-category selected by the GP.
Fund Head	Scheme / head selected by the GP.
GP Location Details	Work address entered by the GP.
GP Field Image	Photo file uploaded by the GP.
SE Field Image	Photo file uploaded by the Sub Engineer. A grey icon means the inspection is not done yet.
SE Remarks	Remark entered by the Sub Engineer.
RFI Submitted Date	Date on which the Sub Engineer submitted the inspection.
RFI Status	Pending, Approved or Rejected.

11. Important Notes / महत्वपूर्ण बिंदु

- **GP User:** The GP user must log in to the SIPRI web portal once using their Panchayat Darpan login credentials. After completing this one-time login, they will be able to log in to the SIPRI mobile app and submit RFI requests from their mobile device.
- **SE Users:** The Anushravan GP User category must be selected at the district level on the SIPRI portal.
- **Web Login SIPRI Portal:** https://sipri.mp.gov.in/sipri/login
- Keep the location (GPS) ON in the mobile app. The app uses it for geo-tagged photos and for the distance from the site.
- Use the mobile number registered for your login.
- Fields marked with * are required.
- Add 1 to 5 geo-tagged photos for every RFI and every inspection.
- Tap Save Photos after capturing the photos. Wait for "PDF created successfully!" before you submit.
- The Sub Engineer must inspect the site and Accept or Reject the RFI. The status changes from Pending after the decision.
