Respected Sir,

I hope this email finds you well.

As discussed, it is proposed to develop a new Weekly Hostel Monitoring Form in the District GIS Parakh Application for the Hostel Adoption Initiative of the District Collectorate, Indore.

The proposed form will be applicable to all Government Hostels, including those managed by the Social Justice Department, Tribal Welfare Department, Scheduled Caste (SC), Scheduled Tribe (ST), Other Backward Class (OBC), Minority Welfare, and other concerned departments.

The objective of this form is to facilitate continuous weekly monitoring of adopted hostels by the assigned District Officers, record the actions taken, track the development works executed, monitor the resolution of identified issues, and ensure sustained improvement in hostel infrastructure, safety, hygiene, and student welfare.

The form will also enable officer-wise, hostel-wise, and department-wise monitoring through a centralized dashboard, ensuring timely follow-up, accountability, and effective implementation of the Hostel Adoption Initiative.

The detailed format of the proposed monitoring form is enclosed herewith for your kind reference. We kindly request you to prioritize its development and implementation in the District GIS Parakh Application at the earliest.

Thanking you.
